

Curriculum Vitae

Personal information

Name : Lamiaa Adel Abou-Elez Ahmed Salama.
Marital status : Married.
Nationality : Egyptian.
Address : Mansoura.
Date of birth : 22 /10/1983
Mobile : 01000469817- 01022247909.
Mail : Labouelez@horus.edu.eg

Career Objective

- To develop a congenial atmosphere in the organization so is to maintain coordination in the organization and to achieve the objectives and continuously aiming towards innovation, perfection and excellence.

Strengths & Areas of Expertise

- Goal oriented & ready to take on new challenges, industrious, self - motivated, ambitious, articulate, persuasive, and demonstrates independent initiative.

Education

- **2021**, Ph.D. in Microbiology and Immunology, Mansoura University, Egypt.
- **2016**, passed the preliminary exams of Ph.D. and the point of research is (Clinical and Molecular Characterization of *Proteus mirabilis* Isolates from Urinary Tract Infection).
- **2014**, Master Degree in Microbiology and Immunology, Mansoura University, Egypt.
- **2005**, Bachelor of Pharmaceutical Sciences, Faculty of Pharmacy, Mansoura University.
- Cumulated Grade: **very good**.

Title of research

- Phenotypic and genotypic characterization of Extended Spectrum β -lactamases producing *Proteus mirabilis* isolates (2021), Records of Pharmaceutical and Biomedical Sciences, Faculty of Pharmacy, Suez Canal University.
- Characteristic Features of Coronavirus Disease-2019 (COVID-19) Pandemic: Attention to the Management and Control in Egypt, (2021), <https://doi.org/10.20965/jdr.2021.p0070>.
- Epidemiological studies on the incidence of *Klebsiella pneumoniae* isolated from Mansoura Hospitals, Egypt, (2014).
- Comparative Studies on Different Molecular Methods for Epidemiological Typing of Multi-Drug-Resistance *Klebsiella pneumoniae* Isolated from Mansoura Hospitals (2014).
- Random amplified DNA polymorphism of *Klebsiella pneumoniae* isolates from Mansoura University Hospitals, Egypt (2015), African Journal of Microbiology.

Language

ARABIC: *Fluent.*

English: *Fluent. TOEFL test score: 92*

Office: *International Computer Driving License (ICDL).*

Professional member ships:

- ❖ Egyptian syndicate of pharmacists.

Experience

- **2021**, Lecturer at Faculty of Pharmacy, Horus University, till now; Teaching Microbiology and Immunology-related courses, such as General Microbiology, Immunology, Virology, Pharmaceutical Microbiology, Medical Microbiology, Parasitology, Molecular Biology and Biotechnology, Industrial Microbiology and Microbiological Lab Techniques, to undergraduate Pharmacy students in Horus University, Egypt.

- **2017**, Assistant lecturer of Microbiology and Immunology, Faculty of Pharmacy, Horus University, Egypt.
- **2015**, Pharmacist at Student University Hospital, Mansoura University.
- **2012-2015**, Assistant Research at Drug Analysis Unit to analyze pharmaceutical and medical preparations and as a demonstrator in the department of Microbiology and Immunology, Faculty of Pharmacy Mansoura University.
- **2007-2012**, Pharmacist at Student University Hospital, Mansoura University
- **2006-2007**, Pharmacist at the medical department at the University of Menoufia.

Technical Summary:

- Routine Molecular Biology techniques and gene expression " PCR Technique ".
- Phenotypic and Molecular Techniques of Microbiology.
- Excellent teamwork and communication skills.
- Ability to work independently is required as well as the need to communicate effectively with both colleagues and investigators.
- Able to work under pressure.
- Team participating and capable of interacting with multinational environment.
- Quick to learn and assimilate new concepts.
- Ability to learn and solve problems fast and independently.
- Ability to lecture in front of audience.
- Ability to Prepare the Lab material & manual as power point presentations.
- Ability to effectively communicate with people, students and build up client relationship skills.

*Thank you for giving me
opportunity for working with
you*
