Egyptian

Work Experience

- Demonstrator at faculty of pharmacy, Horus University (2019-2022)
- Assistant lecturer at faculty of pharmacy, Horus University (2022-2023)
- Hospital pharmacist
- Community pharmacist

Career activities

- 1- quality assurance activities
- 2- member at Questionnaires Committee
- 3- member at training committee

Conferences and Workshops

- 1- 3rd International Conference of Pharmaceutical Sciences (MU-PHARM-2022), Faculty of Pharmacy, Mansoura University/El-Ein-El-Sokhna, 30-08-2022– 02-09-2022.
- 2- 5th conference of faculty of pharmacy-horus university (الصيدلة بين الحاضر و المستقبل may-2023)
- 3- Pharmaceutical chemistry annual conference, pharmaceutical chemistry department, faculty of pharmacy, Mansoura university.
- 4- Molecular docking workshops, Mansoura university.
- 5- Lab safety workshop, Qanat el Suez university.
- 6- Patent workshop, Qanat el Suez university.

Publications

- 1- Nawareg NA, Mostafa AS, El-Messery SM, Nasr MN. New Benzimidazole Based Hybrids: Synthesis, Molecular Modeling Study and Anticancer Evaluation as TopoII Inhibitors. Bioorganic Chemistry. 2022:106038.
- 2- Nawareg NA, Mostafa AS, El-Messery SM, Nasr MNA. Benzimidazole Based Hybrids as Privileged Candidates for TopoII Inhibition: Design, Synthesis and Molecular Modeling Studies. Journal of Molecular Structure. 2023:137020.

Academic background

(2017) – Bachelor Degree of Pharmaceutical Sciences, faculty of pharmacy –mansoura university.

(2022) – Master degree of pharmaceutical organic chemistry, faculty of pharmacy, mansoura university.
